The Niche Mapping Tool

A. Worksheet: "The Niche Mapping Tool" Purpose: A 4-step exercise to help you find your "Specialty."

Content: A table where you list:

1. What you enjoy doing.

e.g. I enjoy organizing schedules and keeping track of complex details.

I enjoy doing search engine optimization (SEO) to boost organic website traffic, content marketing to educate audiences, and paid advertising (PPC) to generate quick leads.

2. What you are already good at

e.g. I am excellent at using Google Calendar, Excel, and responding to emails quickly.

I am great at crafting digital strategies, managing social media, running paid advertising campaigns, optimizing websites for search engines, and analyzing data to improve marketing performance.

3. Which digital role from the list matches those two.

e.g. Virtual Assistant (VA).

Digital Marketing Agent.

4. Who your typical client would be.

e.g. Busy tech founders in Abuja who need help managing their daily operations.

Businesses looking to grow their online brand visibility.
